To Whom It May Concern:

The City of Laguna Niguel does not currently require business licenses for businesses operating within the city limits. However, certain types of businesses are required to register and obtain permits and licenses from other governmental agencies which include, but are not limited to: The Board of Equalization, County Clerk's Office, and the County Sheriff's Department. These agencies should be contacted prior to operation of any business. Businesses working from private homes or those that will be occupying an established commercial unit within the city limits should contact the City of Laguna Niguel Planning Department to obtain the appropriate permits. Any questions should be directed to the Planning Department at (949) 362-4300.
